

School Renovation: PAUD Mawar 2 in Bogor Nirwana Residence

On February 2nd, 2017, in an effort to implement Bakrieland Goes Green, especially Green Attitude with the pillars of education. PT Bakrieland Development Tbk (Bakrieland) through one of its Business Unit, Bogor Nirwana Residence (BNR), do the "School Renovation" program on PAUD Mawar 2 School which has 40 students. This school was chosen because of its location in ring 1 BNR and the building is used not only for early childhood education, but also Posyandu, TPA and Community Meeting.

Representing Bakrieland at the time of handover were Mr. Andrie Ruslan and Mr. Tommy Utomo Djarot (Estate Management BNR) and Mr. Andre Satria (Corporate Affairs Bakrieland). While representing PAUD Mawar 2 school is Ibu Murtisetyaningsih as principal of PAUD school. In his speech, Mrs. Murtisetyaningsih thanked Bakrieland for the help and hoped that the good relationship between the two parties that had been established could continue to be established through various cooperation programs.
