

Implementation of 5R Green Office Program in Bakrieland Holding

Following the socialization of the Green Office 5R program which was implemented on March 23, 2016, employees of PT Bakrieland Development Tbk (Bakrieland) have conducted various series of Green Office 5R activities. The peak of the program closed with the announcement of the winner of the competition which was held on April 11, 2016.

The winners of the competition are divided into 2 categories, namely: based on work units and individuals. In the category of work units, the winner is Corporate Treasury Division, while Corporate Strategic Management Division becomes the 2nd winner and Corporate Affairs Division becomes the 3rd winner. The assessment of work unit category is done by 3 judges with categories that are considered as participation, discipline and creativity (55 %) and implementation of the 5R principle (45%).

Meanwhile, the individual category is an additional category as part of giving appreciation to employees who give more effort than expected. There are two winners, namely Dadi Mulyana from Accounting Division as "The Best Make Over" with the consideration of the condition of his prior work location that is not neat to be clean and arranged in accordance with the principles of 5R Green Office and "Green Heroes" which is Mayang Dewi Indrawati from Strategy Division Management who took the initiative at the time of the activity by not only cleaning her work location but also helping 3 other Division work location.

Here are the photos of Bakrielanders' activities during the 5R Green Office program implementation:
