## Handing Out Water Program at Al-Amin Mosque Kalianda Lampung

On the 17<sup>th</sup> of June 2019, PT Krakatau Lampung Tourism Development (KLTD) as one of PT. Bakrieland Development Tbk (Bakrieland)'s subsidiary that manages properties at Kalianda Lampung, came back to continue their Handing Out Water (Sedekah Air) CSR program. The program was launched with the means of *respond* KLTD towards the community around's needs in which the area is finding a difficult time accessing water by opening wells through a Mosque and an Islamic Boarding School that had done these twice this year. This time, the program is held through Al-Amin Mosque that is located near the property's location.

The two activities being manifested were the results of KLTD working together with Bakrie Amanah Foundation (YBA) as an implementation agency for the Bakrie for Country (BUN) program. Representing KLTD, Mr. Dwi Prasetyo acting as General Manager of the Krakatoa Nirwana Resort Area gave his gratitude to the representatives of the mosque's managers.

For Bakrieland, this is one of the activities implemented to build Corporate Sustainability through the "It's About the People" pillar, mainly about building community development in the environmental sector.
