

Children's Coaching Clinic at JungleLand

On October 15th - 24th, 2019, the JungleLand Adventure Theme Park (JungleLand), one of PT. Propertindo Andrasentra Graha Tbk (GAP) 's theme park located in Sentul, held a CSR event in the form of Coaching Clinic for orphans who came from Islamic boarding schools (Pesantren) located around the property. The coaching clinic is a knowledge sharing event for participants. In this case, the children were given knowledge based on their interests. Armed with the knowledge,

they are expected to complete / complement their life skill such as English language that they learned in the Islamic Boarding School (Pesantren).

For Bakrieland, this is one of the activities implemented to build the Corporate Sustainability through the on the "It's About the People" pillar, mainly regarding the community development in the education sector.
