

Bakrieland's Group Jabodetabek Flood Response Action Series

On New Year's Eve 2020, on December 31st, 2019, heavy rains hit the Jabodetabek area until January 1, 2020. The Climatology and Geophysics Meteorological Agency (BMKG) said the rain was the highest rainfall for the last 24 years in Jabodetabek with rainfall intensity reaching 377 mm / day the highest in Halim.

The impact of floods hit in various places in Jabodetabek. Reported by the National Disaster Management Agency (BNPB) there have been 120 flood points. As of January 6, 2020 BNPB also informed that floods have killed 67 people and resulted in 36,419 lives being displaced.

Kelompok Usaha Bakrie (KUB) and Bakrie Untuk Negeri (BUN) moved quickly to help affected communities through Disaster Response actions. The action is aimed not only at the surrounding communities / communities affected by the severely affected, but also the employees affected.

Special for Bakrieland Group employees, after consolidation, more than 100 employees were affected by flooding and grieved because of 1 employee losing their lives due to the torrent of floods that hit his residence.

For assistance to employees, KUB and BUN agreed to provide assistance in the form of post-flood countermeasures and ready-to-eat food & beverages. For employees who died, the Company realized all its unannounced rights, provided family members with the opportunity to work at the Company, and was exploring other assistance after the disaster.
