

Aston Bogor Hotel & Resort Implement CSR Program Sharing Food Staples

Aston Bogor Hotel & Resort (Aston Bogor), a Business Unit of PT Bakrieland Development Tbk (Bakrieland) which is under the coordination of its Subsidiary PT Graha Andrasentra Propertindo Tbk (GAP), has consistently implemented a CSR program to share basic necessities for surrounding communities affected by the Covid-19 pandemic. This CSR program is part of a series of celebrations for the 80th anniversary of the Bakrie Group.

Throughout April 2022, Aston Bogor donated 240 food packages aimed at local residents living in 3 RWs in Pamoyanan and Mulyaharja. The package was given directly by Mr. Achmad (HRD) and Mrs. Meidasari (Public Relations) who represented the Management. In addition to basic food packages, Aston Bogor also routinely carries out other CSR programs in the form of providing food aid to local residents. Until end of April 2022, this food aid program has donated 542 packages to people in need.

For Bakrieland, this activity is an implementation of Corporate Sustainability on “It’s About the People” pillar, specifically on the development of local communities in the health field
