

CSR Program Sharing Staple Foods Rolled Back by Aston Bogor Hotel & Resort

The Business Unit of PT Bakrieland Development Tbk (Bakrieland) which is under the coordination of Subsidiary PT Graha Andrasentra Propertindo Tbk (GAP) and located in the Bogor Nirwana Residence (BNR) area, Aston Bogor Hotel & Resort (Aston Bogor), is re-implementing the CSR program in a form of sharing groceries for local communities affected by the Covid-19 pandemic. The CSR program, which is part of a series of celebrations for the Bakrie Group's 80th anniversary, was implemented at the end of August 2022.

This time, Aston Bogor donated 70 food packages aimed at local residents who live in the Pamoyanan area. The packages were given directly by Mr. Achmad (HRD) and Mrs. Meidasari (Public Relations) representing the Management. The total number of basic food packages that Aston Bogor has donated throughout 2022 has reached 310 packages.

In addition to basic food packages, Aston Bogor also regularly runs other CSR programs in the form of providing food assistance to local residents. Throughout 2022 this food assistance program has donated 842 packages to people in need.

For Bakrieland, this activity in an implementation of Corporate Sustainability on "It's About the People" pillar, specifically on the development of local communities in the health field.
