

Bahana Sukma Sejahtera Inaugurates Office Renovation by Carrying Out CSR Program Free Health Checks

PT Bahana Sukma Sejahtera (BSS), which is a business unit of PT Bakrieland Development Tbk (Bakrieland) and located in Cijeruk, Bogor, inaugurated the renovation of its office on 1 February 2023, as part of a series of steps to build ecotourism in Cijeruk. The inauguration of the office was carried out by holding a Corporate Social Responsibility (CSR) program in collaboration with the Bakrie Amanah Foundation (YBA) in the form of a Free Health Checkup for the people of Cipelang Cijeruk Village.

The program, which was attended by more than 130 local residents, provided a number of health services in the form of general check-ups (blood pressure, doctor consultation, medicine), metabolic checks (uric acid, blood sugar, cholesterol) for the elderly, and examinations of pregnant women in the form of ultrasounds and consultation, as well as the provision of milk and vitamins. Present in the midst of the activity were Mr. Bangun Septa Siswa S.Stp. (Camat of Cijeruk), Mr. Handoko N. Soetrismo (Chairman of the CSR Organizing Committee), and all village officials in the vicinity.

Representing the residents, Mr. Bangun Septa Siswa S.Stp expressed his gratitude for the free medical activities, especially on behalf of the residents of Cipelang Village. He hopes that this activity can continue with programs that are synergized with local government programs. One of them is achieving the vision and mission of the Bogor Regency Regent as a healthy district.

For Bakrieland, this activity is an implementation of Corporate Sustainability on "It's About the People" pillar, specifically on the development of local communities in the health field.
