

Children's Islamic Olympiad Present at Rasuna Epicentrum

On 21 March 2023, the Children's Islamic Olympiad was held in the Rasuna Epicentrum area. This event is an event to empower the surrounding community by holding three categories of competitions, including coloring competitions, prayer competitions, and Muslim fashion competitions. This event was the first series of Ramadan programs in collaboration with the Bakrie Amanah Foundation and the Bakrie Business Group.

As many as 200 children took part in various competitions, which then continued with the Ramadan parade in the afternoon by circling the Rasuna Epicentrum area in an effort to remind the residents of the area that the month of Ramadan had arrived.

For Bakrieland, this activity is an implementation of Corporate Sustainability on "It's About the People" pillar, specifically on the development of local communities in the religion field.
