

Ramadan Corner in the Rasuna Epicentrum Area

To welcome the month of Ramadan this time, PT Bakrieland Development Tbk (Bakrieland), together with its subsidiary PT Bakrie Swasakti Utama (BSU), and the PT Provinces Indonesia (Provinces) Business Unit, collaborated with the Bakrie Amanah Foundation (YBA) to organize the Ramadan Corner CSR program in the Rasuna Epicentrum Kuningan area, Jakarta.

The Pojok Ramadan CSR program is an iftar package distribution event for local communities that are currently in the area. A total of 450 packages were distributed to enthusiastic participants in the program.

For Bakrieland, this activity is an implementation of Corporate Sustainability on "It's About the People" pillar, specifically on the development of local communities in the religion field.
