

Provinces Indonesia Builds a House for Bagas Marsdianto

As a form of caring for employees, in mid-April 2023, PT Provinces Indonesia (Provinces) handed over a house to the family of the late Bagas Marsdianto, located in Citayem, Bogor Regency. Bagas Marsdianto was an employee of PT Provinces Indonesia who died, along with the house that Bagas and his parents lived in was destroyed, by a flash flood in early 2020, when heavy rain lasted quite a while at that time.

The construction of this house was able to materialize, even though it was delayed for 2 years due to the COVID-19 pandemic, thanks to Provinces' collaboration with Bakrie Tanggap and Tanggap PT Petromine Energy Trading. The handover was carried out by Mr. Yusuf (Human Capital & Procurement Provinces), Mr. Joel Frasti (Secretary General of Bakrie Tanggap), Mrs. Dian Yuliasuti, and Mr. Budi Marsono, Bagas Marsdianto's parents.

Mr. Budi Marsono expressed his gratitude to all parties who have built the house. The loss of Bagas as the backbone of the family really hit the family hard, but the Bakrie Group's care is very much appreciated by the Bagas family. Family prayer for the Company to be able to grow and be a blessing to many people
