The Alana Malioboro Participates in the Construction of Pondok Pesantren Tahfidz Negeri Untaian Nurani Imogiri

As a form of concern for the surrounding community, at the end of May 2023, The Alana Malioboro Hotel & Convention Center (The Alana Malioboro) provided assistance for the construction of Pondok Pesantren Tahfidz Negeri Untaian Nurani Imogiri located in Imogiri, Yogyakarta.

Pondok Pesantren Tahfidz Negeri Untaian Nurani Imogiri is the oldest educational institution in Indonesia and develops education based on monotheism, independence, entrepreneurship, and understanding and memorizing the Qur'an. The significant development of Islamic boarding schools requires development in the field of facilities and infrastructure, especially the construction of qualified dormitories and study rooms to support the process of learning activities.

Mr. Joezar Rinaldi, as the General Manager of The Alana Malioboro, was present with the employees to provide direct assistance to the management of the Islamic Boarding School. He hopes that this assistance can provide space and opportunity for students to be able to learn to memorize the Al-Quran properly and correctly and be able to apply the values of the Al-Qur'an contained in it in a proper and comfortable place.

For Bakrieland, this activity is an implementation of Corporate Sustainability on "It's About the People" pillar, specifically on the development of local communities in the religion field.
