

## 5K Fun Run and Caring Bakrieland Group

In order to strengthen togetherness among employees, PT Bakrieland Development Tbk (Bakrieland) held a 5K Fun Run as well as a CSR program at Bogor Nirwana Residence (BNR). The starting point of the 5K was at Aston Bogor Hotel & Resort, which circled the area by passing one of the newest cluster projects, Sayana, and ended at the Rivera Outbound & Edutainment recreation park (Rivera Bogor). Mr. Resza Adikreshna (President Director), Mr. Melky Aliandri (Director), and Mrs. Sisilia (Director) were also present as participants.

At Rivera Bogor, the 5K Fun Run was continued with a CSR program themed “Sharing with the Children of the Nation”. Dozens of children from around BNR were invited to Rivera Bogor to get school kits and play in the recreation park. In addition, a talented child of jaipong dance who had just won 1st place at Rivera Idol was given the opportunity to show off her skills in front of the Bakrielanders.
