

CSR Blood Donation Program at Wisma Bakrie

On October 1, 2025, Bakrieland carried out a CSR program in the form of a Blood Donation and Metabolic Screening event, involving Bakrieland employees, the Bakrie Group, tenants, and the surrounding community at Wisma Bakrie. The program, which was a collaboration between Bakrieland, the Indonesian Red Cross, and Bakrie Amanah, successfully collected dozens of blood bags.

For Bakrieland, this initiative represents an effort to realize Corporate Sustainability under the pillar "It's About the People," particularly in supporting community development in the field of health.
