

Qurban Untuk Negeri

On June 11, 2025, in commemoration of Eid al-Adha, the Bakrieland Group carried out a CSR program titled Qurban for the Nation by donating 17 cows and 52 goats/sheep, which were distributed across all of the Company's operational locations. This CSR program was made possible through collaboration with the Bakrie Amanah Foundation and mosques located around Bakrieland's properties. All of the Company's contributions have been received by thousands of beneficiaries who also attended the implementation of the program.

For Bakrieland, this initiative represents an effort to realize Corporate Sustainability under the pillar "It's About the People," particularly in supporting community development in the religious field.
