

Bakrieland Goes to Campus Bakrie University

On October 21, 2025, Bakrieland carried out its CSR program, Bakrieland Goes to Campus, where Bakrieland employees held a sharing session with students from Bakrie University (UB), who on this occasion visited one of Bakrieland's properties, Rasuna Epicentrum.

During this session, dozens of students, accompanied by Ms. Mirana, a lecturer from UB, were given insights into the Corporate Social Responsibility (CSR) policies of the Bakrieland Group, followed by their implementation at Rasuna Epicentrum. The representatives from Bakrieland who shared their knowledge were Mr. Andre Satria (Corporate Affairs) and Mr. Zulfikar (CSR Bakrieland).

For Bakrieland, this initiative represents an effort to realize Corporate Sustainability under the pillar "It's About the People," particularly in supporting community development in the field of education.
