Bakrieland Group Shares Happiness During Ramadan

In this blessed month of Ramadan, Bakrieland carries out CSR initiatives to share happiness with surrounding communities, reflecting the spirit of Ramadan. These activities, conducted in Jakarta, Bogor, Yogyakarta, Sidoarjo, and Lampung, demonstrate Bakrieland's ongoing commitment to growing alongside communities, creating meaningful impact, and strengthening the values of togetherness in every step.

For Bakrieland, these initiatives also represent an effort to advance its Corporate Sustainability agenda under the "It's About the People" pillar, particularly in supporting the development of surrounding communities through religious initiatives.
